

Way of Life!

***C 800/c***

# Classic Rumble - Modern Comfort

Throaty rumble with refined efficiency. Laid-back riding style with plush comfort. Rich paintwork and glittering chrome over precision engineering. Every inch crafted to deliver an irresistible combination of genuine, traditional cruiser experience and refined modern technology. That's INTRUDER C800/c.

Pearl Nebular Black (YAY)

Liquid-cooled 45-degree V-Twin engine

LED taillight

Instrument cluster

- 805cm<sup>3</sup> fuel-injected, liquid-cooled 45-degree V-Twin engine that's tuned for torque and engineered for comfort.

- Fuel injection makes for optimal fuel delivery, helping to increase throttle response and output throughout the powerband.

- Cutting-edge 3D-mapped digital ignition system using a throttle-position sensor helps boost the hallmark big V-Twin low-down torque.

- Offset crankpins bring optimally balanced firing intervals.

- Chromed and staggered dual exhaust pipes with refined shape, tuned for responsive torque delivery while producing the signature V-Twin rumble.

- The efficient, clean-running engine and a large catalyzer allow the INTRUDER C800/c to meet Euro 3 and Tier 2 emission standards.

- Slick, wide-ratio 5-speed transmission and low-maintenance shaft drive efficiently transmit the power to the thick 15-inch rear tire.

- Thick, raked-back front forks deliver a generous 140mm (5.5 in.) wheel travel.

- Progressive-action monoshock rear suspension, shaped mimicking the hard-tail lines of a traditional cruiser.

- Well-sculpted leather-textured seat, swept-back handlebars and ample-sized floorboards compose a perfect riding position for various occasions.

- Wide passenger seat makes for comfortable two-up rides.

- The instrument cluster includes a convenient gear-position indicator, a large fuel meter, and a clock always on display.

- Styling incorporating timeless visual statements in the cruiser heritage: rich paintwork, glittering chrome and deep front and rear fenders with rounded ends.

- Bright multi-reflector headlight. Durable, efficient and compact LED taillight.

## Specifications

Engine Type	4-stroke, 2-cylinder, liquid-cooled, SOHC, 45° V-Twin	
Engine Displacement	805 cm <sup>3</sup> (cc)	
Bore x Stroke	83.0 mm x 74.4 mm	
Compression Ratio	9.4 : 1	
Transmission	5-speed constant mesh	
Overall Length	2,500 mm (98.4 in.)	
Overall Width	955 mm (37.6 in.)	
Overall Height	1,110 mm (43.7 in.)	
Wheelbase	1,655 mm (65.2 in.)	
Ground Clearance	140 mm ( 5.5 in.)	
Seat Height	700 mm (27.6 in.)	
Curb Mass	277 kg (611 lbs.)	
Suspension	Front	Telescopic, coil spring, oil damped
	Rear	Link type, coil spring, oil damped
Brakes	Front	Disc
	Rear	Drum
Tires	Front	130/90-16M/C 67H, tube type
	Rear	170/80-15M/C 77H, tube type
Ignition Type	Electronic ignition (Transistorized)	
Fuel Tank Capacity	15.5 L (4.1 US gal.)	

## Colors

Candy Indy Blue (YKZ)

INTRUDER C800c

Pearl Nebular Black / Metallic Gleam Gray (HBV)

Candy Dark Cherry Red / Pearl Mirage White (HBV)

Specifications, appearance, colors (including body color), equipment, materials and other aspects of the "SUZUKI" products shown in this catalogue are subject to change by Suzuki at any time without notice, and they may vary depending on local conditions or requirements.
